REDI SAN RTU HARD SURFACE SANITIZER

CLEANER - SANITIZER - DEODORIZER

Our Redi San RTU Hard Surface Sanitizer is an effective sanitizer-cleaner for use on hard food contact and non-food contact surfaces in the back and front of the house. Monogram Clean Force Redi San RTU Hard Surface Sanitizer is an excellent solution to help improve your cleaning and sanitizing procedures—in turn helping protect your brand.

WHY IS FOOD CONTACT SANITIZING IMPORTANT?

- Using a food contact sanitizer helps prevent the transmission of germs from counters and table tops to guests and employees.
- Sanitization kills micro organisms that can cause foodborne illnesses.
- National Restaurant Association figures show that an outbreak of foodborne illness can cost a restaurant more than \$75,000.

FEATURES / BENEFITS

- Convenient ready to use product that doesn't leave a bleach smell.
- Eliminates 99.9% of E coli, Salmonella, Staphylococcus aureus and Klebsiella pneumoniae in 60 seconds.
- Formulated for use in daily maintenance and cleaning programs and requires no rinsing.
