

Solid Dose Pot & Pan Sink Detergent Tablet

Helps fight tough grease and food soils

Multi-use and effective

- Cuts through grease
- Long lasting suds, even in the presence of grease and food soils
- Ingredients are pH balanced for mildness, creating a pleasant user experience

User-friendly design

- Tablets reduce risk of product spillage while handling compared to liquid products
- Requires no PPE

Supports waste reduction

- Concentrated solid tablets contribute to reduced plastic waste

DIRECTIONS FOR USE

1. Tear open a packet and drop the tablets into the first sink (first one to the left) 1 - 2 tablets per 10 gallons of water. Wash hands after handling product.
2. Fill up the sink with 10 gallons of warm water (100° – 120° F).
3. Place dirty wares, pots and pans into the solution and start cleaning.
4. Rinse cleaned items with second sink (middle).

The tablet's solid chemistry is formulated to save on packaging.

99.9%
reduction in plastic waste¹

¹ Reduction in plastic waste is an approximation assuming use of one case of product per month over 12 months, compared with the equivalent use of Monogram Clean Force liquid products, which is enabled by the smaller, lighter package size for solid tablets.
