

# CLEAN FORCE<sup>™</sup> DISPENSED PRODUCT LINE

Clean Force™ is a complete 15-product dispensing system that takes care of your every cleaning need with total convenience. Its advanced chemistry and unique patented design deliver superior results and usage cost, with a system that is easy to use.

**MONOGRAM®**  
CLEANING DISPOSABLES

**CLEAN  
FORCE™**

## SIMPLE CONVENIENCE THAT HELPS IMPROVE WORKER PRODUCTIVITY, SATISFACTION AND SAFETY.

- Light, ergonomic packaging that is easy to lift and carry
- Superior concentrated chemistry reduces usage and rewash – saving labor, water and energy
- Sustainable cleaning solutions to help reduce packaging waste, lower shipping costs and reduce emissions
- Top-performing formulas help control costs and improve sustainability

Convenient docking station with a glide-in bottle design that is easy to use and saves space.

Color-coded solutions, fitments and labels. Language-free, easy to learn. Controlled dispensing with the closed fitment system helps eliminate the hazards and overuse associated with free pouring of chemicals.

## WAREWASHING

### Concentrated Dishmachine Detergent

- Super-concentrated formula so you use less and control costs
- Squeaky-clean dishes, especially in tough water
- Safe for use on institutional china, glassware, stainless steel and plasticware

### Low Temp Dishmachine Sanitizer

- Energy-efficient, liquid chlorine sanitizer for low-temp dishmachines

### Heavy Duty Rinse Additive

- Advanced formulation for hard water and high-alkaline areas
- Rapid, spot-free, streak-free drying
- Sparkling results on glassware, china and metal

# MONOGRAM® CLEAN FORCE™ IS A COMPREHENSIVE, COMPLETE LINE OF PREMIUM SOLUTIONS FOR YOUR EVERYDAY NEEDS.

## 3-COMP SINK

### Premium Pot & Pan Detergent

- Super-concentrated formula delivers excellent grease-cutting with low usage cost
- Superior, long-lasting suds
- Gentle on hands with a pleasant fragrance

### 22 Multi-Quat Sanitizer

- Effective within a wide; 150–400 ppm
- Easy spray-and-wipe or third-sink sanitizer application

### Enzyme Presoak

- A special blend of detergents and enzymes designed to penetrate and remove stubborn food soils
- Silverware comes out bright and clean with one-pass warewashing

## GENERAL CLEANING

### Sanitizing No Rinse Floor Cleaner

- Premium daily cleaner and degreaser that eliminates up to 99.9% of bacteria on kitchen floors
- Use on floors that don't have finishes or waxes; no-rinse application saves on water and time

### Multi-Purpose Degreaser

- Non-abrasive formula removes tough, greasy soils, films and smoke from multiple surfaces
- Streak-free results with a pleasant citrus fragrance

### Concentrated Sanitizing Rinse (D31)

- Increase safety and simplicity with 2-in-1 solution (rinse aid and sanitizer) that helps eliminate cross-contamination
- No taste imparted to food or beverages

### Multi-Purpose & Glass Cleaner

- Versatile for light-soil cleaning, degreasing and glass cleaning
- Streak-free windows, glass and mirrors with a fresh fragrance

### HB Quat

- Alkaline quaternary ammonium disinfectant, sanitizer and deodorant
- Ideal for a variety of cleaning/disinfecting needs in nursing homes and clinics

## HOUSEKEEPING

### 73 Disinfecting Acid Bathroom Cleaner

- Premium, EPA-registered acid bathroom cleaner
- Formulated to disinfect and remove hard-water buildup and soap scum from tubs, showers, countertops, toilets and sinks
- Pleasant fragrance

### Odor Eliminator

- Heavy-duty counteractant neutralizes and eliminates odors
- Leaves rooms and surfaces smelling clean and refreshed
- Use to neutralize smoke, tobacco, mold odors, mildew odors, urine and many more malodors

### Neutral pH Floor Cleaner

- Cleaning and emulsifying power for easy maintenance of floors coated with metal interlock finishes
- Does not leave residue and is excellent in autoscrubbers
- Neutral pH: contains no harsh alkalis and is safe for use on newly finished or recently buffed floors

# WITH THE CLEAN FORCE® DISPENSING SYSTEM, IT'S EASIER THAN EVER TO HELP PROTECT YOUR OPERATION.
