FORCE®**

## Acid Bathroom Cleaner

Formulated from plant-derived surfactants to provide superior cleaning. Effectively removes soils, soap scum and hard water deposits. Ideal for use on bathroom chrome, porcelain, vinyl, tile and fiberglass.

### Product Attributes

- Removes soils and refreshes surfaces
- Proven more effective than competitors in lab and field tests
- Chemicals made from surfactants derived from plants with 92% biobased content
- Biodegradable and very low volatile organic compounds per CARB Regulations 2012
- Certified by Green Seal<sup>™</sup>, which offers third-party certification on sustainability standards that help protect the natural world and human health
- Formulated so workers' exposure to the product is safer
- Pleasant and mild fragrance

### Directions for Use

Use spray bottle labeled for this product only for mixing and dispensing product.

1. Fill spray bottle with dilute solution.
2. Thoroughly wet the surface with product.  
Allow a few minutes to work.
3. Wipe clean and dry with clean cloth, sponge or rag.  
Rinse as needed.

### Benefits

- **Improves Cleaning Results** – Best-in-class acid cleaner is effective on multiple surfaces
- **Enhances the User Experience** – Pleasant fragrance and exceptional cleaning performance improves worker satisfaction
- **Reduces Environmental Impact** – Product is made with plant-derived surfactants and requires no protective equipment at use

### Dilution Rates

Light Duty: 4 US fl oz/US gal (31.21 mL/L) (1:32)

Heavy Duty: 8 US fl oz/US gal (623 mL/L) (1:16)
