Neutral Bathroom Cleaner

Biobased daily bathroom cleaner concentrate, formulated to effectively remove soils from toilet bowls, urinals, and shower walls and floors.

Product Attributes

- Removes soils and provides excellent bathroom cleaning
- Proven more effective than competitors in lab and field tests
- Chemicals made from surfactants derived from plants
- Biodegradable and very low volatile organic compounds per CARB Regulations 2012
- Certified by Green Seal™, which offers third-party certification on sustainability standards that help protect the natural world and human health
- Formulated so workers' exposure to the product is safer
- Pleasant and mild fragrance

Directions for Use

Use spray bottle labeled for this product only for mixing and dispensing product.

1. Fill spray bottle/mop bucket with solution.
2. Thoroughly wet the surface with product. Allow a few minutes to work.
3. Wipe clean and dry with clean cloth, sponge or mop. Rinse as needed.

Benefits

- **Improves Cleaning Results** – Effectively removes soils and provides excellent bathroom cleaning
- **Reduces Environmental Impact** – Product is made with plant-derived surfactants and requires no protective equipment at use
- **Enhances the User Experience** – Pleasant fragrance and exceptional cleaning performance improves worker satisfaction
