

NEUTRAL FLOOR CLEANER

MONOGRAM
CLEANING  DISPOSABLES

**CLEAN
FORCE**[®]

Neutral Floor Cleaner

Super concentrated, low-foaming, neutral floor cleaner can be used on a variety of surfaces, including stone. There is no rinsing required or film left behind. Low foaming formula allows use of mop bucket, auto-scrubber or spray bottle. What's more, the product will not dull finished floors.

Product Attributes

- Neutral pH floor cleaner
- Low foaming formula
- Certified by Green Seal™, which offers third-party certification on sustainability standards that help protect the natural world and human health
- Fresh and clean smell
- Safe on vinyl, stone, rubber, epoxy, porcelain, concrete, linoleum and all finished floors

Directions for Use

Do not mix with anything except cold water.

1. Wipe up spills and sweep floor.
2. Fill automatic scrubber or mop bucket with solution following dilution instructions.
3. Position wet floor signs.
4. Apply solution, scrub, and remove residue.
5. Remove stubborn stains with a bristle brush.
6. Allow floor to air dry.

Benefits

- **Improves Cleaning Results** – Alkaline cleaner achieves exceptional cleaning performance on foot traffic soil
- **Cost-Effective** – Concentrated formulations deliver excellent results at a lower cost
- **Simplifies the Cleaning Process** – Rinse-free formula releases soil without leaving a film or haze; ultra low-foaming formula improves auto-scrubber efficiency
- **Enhances the User Experience** – Pleasant fragrance and exceptional cleaning performance improves worker satisfaction
- **Sustainable Solution** – Ultra-concentrated formula reduces amount of water needed

Dilution Rates

Daily Cleaning: 0.5 US fl oz/US gal of water

Heavy Duty Cleaning: 2 US fl oz/US gal of water
